Materials and Surface Technology for Implants

[MEET THE EXPERT] Implants is taking place for the ninth time in 2018 and is the well-known event for the implant industry in Europe. The modified concept of this one-day conference is designed equally for manufacturers of implants, suppliers and service providers, as well as for universities and institutes. The program includes keynote lectures, short presentations, a tabletop exhibition and time for discussions and networking. We invite you to register for this event.

The Auditorium is in building 1, Riggenbachstrasse 16, Olten

Getting there by train

Only a few minutes walk away from the main Olten SBB station, there's no need to take a bus. Exit the main station at track 12 and follow the signs.

Getting there by car

Olten is located about 15 minutes from Exit 46 (direction Aarburg/Olten) of the A1 Motorway. However, as there is often heavy traffic on this route, the journey to Olten could take significantly longer.
